Q23. Now I'd like to read you some more information about the candidates for Illinois Supreme Court.

Elizabeth Rochford has served as a Lake County judge for the past decade. She started her career as an Assistant State's Attorney and has served as President of the Illinois Judges Foundation. Rochford is the only candidate rated 'highly recommended' by the Illinois State Bar Association, and has been consistently rated 'highly qualified' by the Lake County Bar Association. Rochford will use her vast judicial experience to be a leader on the Illinois Supreme Court.

Mark Curran is a proven fighter for liberty, faith, and family. Curran has 31 years of experience practicing law in Lake County, was the longest serving Sheriff of Lake County, and served as the Chief of the Attorney General's Gang Crime Bureau. Curran has seen the ravages of crime and injustice and has consistently fought against political corruption. Curran is a political outsider who has taken on leaders of both parties and will serve as a justice on the Supreme Court dedicated to speaking out against the political machine in Illinois that has been controlled by corrupt and indicted political leaders like Mike Madigan, Rod Blagojevich, and Ed Burke.

Knowing this, if the election for Judge of the Supreme Court 2nd Judicial District was held today, who would you vote for?

Republican Mark Curran	44.6
Democrat Elizabeth Rochford	43.5
Undecided	11.9

And now I'd like to tell you some things people have said about Mark Curran, candidate for the Illinois Supreme Court, and please tell me whether these make you more or less likely to vote for him.

Q24. Mark Curran is tough on crime. He served twelve years as Sheriff for Lake County, transforming the office into one of the country's finest. Prior to that, Curran worked for the Illinois Attorney General, serving as the Gang Crime Bureau Chief and helping form the newly created Sexually Violent Persons Bureau. Curran has spent his life making communities safer.

Q25. Mark Curran is a political outsider who has fought against leaders of both political parties. First elected as a Democrat, Curran switched parties after Democrat party leaders refused to do anything about the corruption of former Governor Rod Blagojevich. Regardless of partisanship, Curran supports term limits on career politicians and fair maps to end the partisan gerrymandering where political insiders get to pick what voters they represent.

Curran bucked the leadership of his own party and worked with Democrats, including former President Barack Obama, to support immigration reform because he does what is right no matter, even if it means standing up to his own party.

Q23. Now I'd like to read you some more information about the candidates for Illinois Supreme Court.

Elizabeth Rochford has served as a Lake County judge for the past decade. She started her career as an Assistant State's Attorney and has served as President of the Illinois Judges Foundation. Rochford is the only candidate rated 'highly recommended' by the Illinois State Bar Association, and has been consistently rated 'highly qualified' by the Lake County Bar Association. Rochford will use her vast judicial experience to be a leader on the Illinois Supreme Court.

Mark Curran is a proven fighter for liberty, faith, and family. Curran has 31 years of experience practicing law in Lake County, was the longest serving Sheriff of Lake County, and served as the Chief of the Attorney General's Gang Crime Bureau. Curran has seen the ravages of crime and injustice and has consistently fought against political corruption. Curran is a political outsider who has taken on leaders of both parties and will serve as a justice on the Supreme Court dedicated to speaking out against the political machine in Illinois that has been controlled by corrupt and indicted political leaders like Mike Madigan, Rod Blagojevich, and Ed Burke.

Knowing this, if the election for Judge of the Supreme Court 2nd Judicial District was held today, who would you vote for?

Q25. Mark Curran is a political outsider who has fought against leaders of both political parties. First elected as a Democrat, Curran switched parties after Democrat party leaders refused to do anything about the corruption of former Governor Rod Blagojevich. Regardless of partisanship, Curran supports term limits on career politicians and fair maps to end the partisan gerrymandering where political insiders get to pick what voters they represent.

Q26. Mark Curran is passionate about immigration reform and supports a pathway to amnesty. As Lake County Sheriff, Curran called on ICE to cut back on deportations and met with congressional leaders of both parties to urge them to pass a comprehensive immigration reform bill. Curran bucked the leadership of his own party and worked with Democrats, including former President Barack Obama, to support immigration reform because he does what is right no matter, even if it means standing up to his own party.

Q27. As Lake County Sheriff, Mark Curran courageously stood up and demanded the resignation of a prosecutor from his own party for the wrongful conviction of a defendant after it became clear that DNA evidence exonerated the defendant. Curran even spent a week in his own jail to bring attention to wrongful convictions and injustices in the criminal justice system.

Q29. Elizabeth Rochford is controlled by the trial lawyers, having received hundreds of thousands of dollars in campaign contributions from them. If elected, Rochford will owe them and could rule in favor of the special interests that help make trial lawyers rich off frivolous lawsuits and rule against pro-business reforms that could bring back jobs to Illinois.

Q30. Elizabeth Rochford has contributed over \$15,000 to Ed Burke, a federally indicted Chicago Machine political boss. Rochford even wrote him a \$1,500 check just weeks after Burke had his offices raided by the FBI and eventually charged with attempted extortion for allegedly using his political office to drive business to his own law firm. We need Supreme Court justices who will stand up to corruption, not politicians like Elizabeth Rochford who will cozy up to it.

Q31. Elizabeth Rochford has deep ties to Mike Madigan and his political Machine. Rochford has accepted hundreds of thousands of dollars from Madigan allies and served as a political appointee for 21 years to the Illinois Court of Claims, which has long been used as a political patronage tool to reward allies of corrupt and indicted politicians like Mike Madigan, Rod Blagojevich, and Ed Burke.

And now I'd like to tell you some more things people have said about Mark Curran, candidate for the Illinois Supreme Court, and please tell me whether these make you more or less likely to vote for him.

Q33. Following the 2020 election, Mark Curran spread disinformation about massive voter fraud and reshared fringe conspiracy theories from extreme right-wing media outlets claiming the election was stolen from Trump. Not only did he suggest the election was rigged nationally, but he also attempted to undermine the will of voters in Illinois, claiming there were missing votes in Cook County and that there was a cover-up of voter fraud in the state.

Q35. From Uvalde to Parkland to our neighbors in Highland Park, our country has been plagued by gun violence. Yet Mark Curran calls nearly all gun safety legislation unconstitutional. Curran called assault weapons a 'silly term' and falsely claimed there is no difference between an AR-15 – the gun used in most mass shootings – and a small handgun.
