**24. Mary Kay O'Brien is beholden to special interests, having taken hundreds of thousands of dollars in campaign contributions from Mike Madigan and his allies. As state representative, O'Brien opposed good government reform and voted in lockstep with Madigan, advancing legislation that rewarded Madigan's special interest allies. She was even credited with being instrumental in helping Madigan regain the Speaker's gavel.**

**Michael Burke isn't beholden to anyone. He's never taken money from Mike Madigan or his special interest allies. He is a judge and not a politician, who has served the people of Illinois with distinction for 30 years and who is committed to independence and transparency on the courts. He brings fairness and equality to the justice system.**

**Knowing this, if the election for Judge of the Supreme Court 3rd Judicial District was held today, who would you vote for?**

**31. Mary Kay O'Brien has a history of siding with violent criminals and turning her back on local law enforcement. In 2018, O'Brien overturned a felon's conviction for aggravated battery of a police officer. Video from the incident showed the police officer attempting to question the suspect in a routine traffic stop and the man becoming belligerent and combative with the police. The suspect refused to exit his vehicle and ultimately wrestled the officer to the ground before running away, evading police.**

**32. We need judges with integrity and who aren't tied to corruption. Mary Kay O'Brien is a career politician who has taken hundreds of thousands of dollars in campaign contributions from Mike Madigan controlled organizations. O'Brien voted in lockstep with Madigan as a state legislator and was instrumental in helping Madigan strengthen his grip on power in Springfield. O'Brien once described herself as excited for being one of the decisive votes making Madigan Illinois House Speaker.**

**35. Michael Burke has a history of being lenient with child pornographers and sexual predators, giving them light sentences, while taking campaign contributions from their defense attorneys. Burke also concurred on an opinion dismissing a lawsuit against a serial child molester, accused of sexually assaulting a fourth-grade boy. We need judges who will be tough on criminals and keep our children safe.**

**39. Lastly, Mary Kay O'Brien says she's a Democrat but is a conservative in disguise. As a state representative, O'Brien would brag about receiving A+ ratings from the National Rifle Association and opposed gay marriage, believing Illinois should restrict it to a union between a man and a woman. O'Brien was also fiercely opposed by pro-abortion groups for voting with the pro-life lobby and supporting parental notifications for abortions. Knowing this, would be you be more or less likely to vote for Mary Kay O'Brien for the Illinois Supreme Court.**
